

# Teen Book Reviewers

Pick a book to review from the Teen Zone or from Overdrive online. Fill out the Teen Book Reviewers Request Form ([bit.ly/TBRRequest](http://bit.ly/TBRRequest)) so a librarian can approve your title. If your title is approved we will send you the link to the Teen Book Reviewers Submission Form. Please allow for at least a weeks turn around time between your requests and a librarian's response.

Each review is worth 3 hours and each student is allowed to do 3 reviews a year. We will not accept reviews on books that were assigned for school and we limit multiple reviews on the same book.
