★ **CONGRATULATIONS** ★ on purchasing The Fidget Game™ (Sight Words)

This interactive and exciting educational game will help your children learn to read in weeks. The Fidget Game (Sight Words) will assist them in mastering sight words while enjoying a fun and competitive game.

This game consists of all 220 Dolch sight words broken down by grade level according to US Common Core Standards. These sight words comprise up to 75% of all written words. Therefore, mastering these words is crucial in becoming a fluent reader and improving comprehension skills.

This game uses the 'Heart Method' and follows the Science of Reading pedagogy.

4 Fidget Toys

1 Die

HOW TO WIN

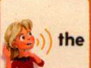

Be the first to pop down all bubbles on your rainbow fidget toy mat and shout "Unicorn!"

SETUP

1. Choose a deck of sight word cards which matches the ability level of each player (Pre-K to grade 3).
2. Place the deck face down in the middle of the table.
3. Each player chooses and places their own rainbow fidget toy mat in front of them.

HOW TO PLAY

1. Players may roll the die to determine who goes first, the one with the highest number begins. The first player picks 1 card from the top of the sight words deck and says the word out loud.
  
2. If the player says the word correctly they roll the die and pop down the number of bubbles which they rolled on the die. If the player does not say the word correctly they do not get to roll the die or pop any bubbles down on their mat.
3. If the player gets the **UNICORN CARD** they get to roll the die twice without having to identify a sight word.
4. If the player gets the **GREMLIN CARD** they have to roll the die and un pop the amount of bubbles they rolled on the die.
5. The player who pops down all of their bubbles first and shouts "Unicorn" wins!
