A regular board meeting of the Lindenhurst Memorial Library was held on August 15, 2020. Present were Board members Jane Dietz, Lori-Anne Novello, Annette DeLuca, Gabrielle Giacomazzo and Kenny St. John. Library Director Lisa Kropp was also present, along with Network and Systems Specialist Brett Whiteford. Library Attorney Kevin Seaman joined the call at 10:15 am.

Board President Jane Dietz called the meeting to order at 9:36 am. Upon a motion by Ms. DeLuca, seconded by Ms. Giacomazzo, the agenda was adopted by a 5-0 vote.

The minutes of the prior meeting were adopted on a 5-0 vote upon a motion by Ms. Giacomazzo, seconded by Mr. St. John.

Upon a motion by Ms. Giacomazzo, seconded by Ms. DeLuca, the Board voted 5-0 to accept the Treasurer’s report.

Mrs. Kropp shared her Director’s report, a copy of which is attached to the original of these minutes. She was happy to note that the Library will have a social worker intern this fall semester. She suggested with school reopening in a hybrid capacity, that the Library go back to full hours on Saturdays, commencing after Labor Day. As of September 12, 2020, the Library will be open from 9 am - 5 pm on Saturdays. The Board will re-evaluate operating hours at the September and October meetings to determine further changes to evening and/or Sunday hours. Ms. Kropp noted that two libraries out of the 54 in Suffolk County were open for Sunday hours currently, with the majority waiting to re-assess COVID numbers in the County in October before determining any further additions to Sunday hours.

**Building Project Update:**
Design meetings continue with staff and BBS. Paperwork is being prepared to submit shortly to SED to begin the design approval process this fall. Ms. Kropp will contact the Village of Lindenhurst to alert them of necessary changes to the parking lot to comply with ADA. She shared estimates from BBS for the lower level window replacement project, which was not included in the original scope of the bond work. BBS sent plans to Park East Construction Management to get more accurate numbers on the scope of work needed to the parking lot. BBS also worked on estimates for two EV Charging stations and the replacement of the solar parking lot lights, which would hopefully be fully funded by the use of SAM funds procured by Senator Brooks on behalf of the library. The exhaust fans on the roof were replaced and
electrical connections restored, so all meeting rooms, bathrooms and office areas in the Library are now properly ventilated.
