**COMMUNITY ART PROJECT UPDATE**

Thank you to the many community members who donated bottle caps for our mural project. If you haven't donated, there's still time! We are

collecting caps until August 11.

All are welcome to drop in during the week of August 7-11 to help us sort the bottle caps for our next step in this process. Then, check the next issue of The Wave for details about participating in the creation of the mural this fall. Community service hours are available for teens upon request.
