Afoot and light-hearted I take to the open road  
Healthy, free, the world before me,  
The long brown path before me leading wherever I choose.

FACULTY
Dear Class of 1969

Your junior and senior high school years have been among the most eventful in the history of our nation—a period of greatness, of change, and of tragedy and shame. In these impressionable years we saw great technological and social advances. This was the age of the computer... when we broke the bonds of space and sent men to the moon. This was the period when we saw a great ecumenical movement in religion, when we expanded civil rights, when we began the war on poverty, when we made a successful breakthrough on organ transplants. It was the period of increased student activism in politics, of student revolts on campus, of changing styles in dress and appearance—long hair for young men, mini-skirts for girls... a period of marches and demonstrations, of civil disturbances and civil disobedience. It was also a period of violence in which we saw the tragic assassinations of promising young leaders—President John F. Kennedy, Senator Robert F. Kennedy and the Reverend Martin Luther King—a period when we fought a costly war in far off Viet Nam. It was a period of progress, too, when our nation attained the highest standard of living man has known.

These were truly memorable and meaningful years—years for growing up and getting ready.

TO THE CLASS OF 1969—

You are graduating at a time when the world abounds with complex problems but also with great opportunity for advancement. This has always been true but never before has this situation provided a greater challenge.

You have had in your secondary school career more opportunity for learning, for freedom and for self determination than most classes have ever experienced.

It is hoped by the faculty of your school that by providing this atmosphere, we have helped all of you to develop the necessary background, desire, self-discipline and determination to enable you to serve as worthy citizens of our great nation in every sense of the word; and that you will continue to grow in mind and spirit to the benefit of others as well as self.

May you receive a good measure of material things, enjoy good health, happiness and all the rewards that come from living a worthwhile life.

We are grateful for this opportunity to express sincere "thank you's" to all those with whom we have worked with and have co-operated with us through these years of remembrance. We are now entering our most important phase in life. Here we are at a point holding our future in our hands with the ability to mold and shape it into our own lifetime's desires. We have the outstanding opportunities and ambitions of the young people of our age and with a little hard work, hope, and prayers, we can sincerely express our feeling of success for each and every one of our classmates.

At this time, we can deliver a special "Thank You" to those teachers who have given us the knowledge which will enable us to take our future into our own hands and also to our parents whose sacrifices have made our achievement possible and rewarding.

In June a new door will be open to this class of 1969 and beyond it a world to face. The Best of Luck now and always in a universe of every moving advancement.

This year's varsity football squad faced some of the toughest competition it has faced in many years. Strong teams in League I demanded all the courage and stamina a varsity squad can muster, and Lindy rose to the occasions magnificently—Lindy was proud to field great athletes as this year's MVP Vin Boccio, a fast halfback and Tom Pastore; and outstanding linemen—Tony Bagnoli, Henry Henkle, Frank Fontana and Jay Yzaguirre. The effort of the entire squad commanded and received the respect and admiration of the entire coaching staff, but more than this, the entire student body. It was a great year for this team because they never lost the desire to win.

However, the saddest moment came at the end of the season—all the desire, the sweat, the frustrations and the joys reduced themselves to a quiet moment of respect in tribute to Head Coach Edward Butkus who announced his return form coachery. This year's team speaks to him for all the great teams he has coached—"Good Luck, Coach and Thanks!"

This year’s soccer team broke all existing records as it swept to eleven wins, three losses, and 2 ties. Highlights of the season was opening up with 6 straight wins, 1-0 victory over Brentwood, and two decisive wins over Huntington. Outstanding players were goalie Frank Fudzinski with six shutouts, all league fullback Bill Kohmann, all league halfback Bob Bazarnick, and all league forward Mike Salierno. Mike attained the highest possible award in the county by being selected to the all county team. Although the team loses nine seniors, Coach Smith has 14 veterans returning and outlook for next season seems even brighter. Next season could be a championship year for our soccer team.

The Varsity Bowling team completed this, its sixth year with a most impressive record. The team event went undefeated in league competition with the highlight of the year coming in the last two matches of the season against West Babylon and North Babylon—Lindy winning both with league record setting scores.

Lindy went on with the winning spirit to take the Section XI championship for the second consecutive year, which earned the right to compete in the State tournament in Buffalo, N.Y.

The Bulldogs then captured the State title, hands down to complete its most successful season.
