Assistant Principals

To the Class of 1991:

My heartfelt congratulations to you upon your graduation from our school. As this is my first graduating class, as Principal, I have a special feeling for your accomplishment. You have achieved much and been a tremendous asset to our school. You will be missed. Your enthusiasm, support, and leadership are qualities I will always remember.

In turn, I hope we have helped you. As you leave the warm, caring environs of Lindenhurst High School, you embark on the journey of life that will challenge you to succeed. We have given you the ability to learn and, more notably, to make sound judgments. Meet this challenge with a positive attitude. Use the abilities you have and the knowledge gained from your teachers to aggressively pursue your chosen fields of study.

I thank you for having contributed to our school and for helping a new High School Principal complete a year he will never forget. Further, I commend you for your efforts in our community and how nobly you reflect on the great Lindenhurst tradition. I wish you the best life has to offer and much success in your future endeavors.  
Bless you.

Sincerely yours,

Neil Lederer  
Principal

MR. JOHN DIFFILY

MR. FRANK GROTSCHTEL

MR. LESTER MENEILLY

MR. RICHARD BIANCHANIELLO

To the Class of '91,

As you approach this special Saturday in June, I hope you reflect upon your days in our school system with many significant, happy memories. Remember those early moments in kindergarten, fourth grade, junior high, and senior high because they played equal parts in delivering you to this accomplishment. The education you received in the Lindenhurst Public Schools is a quality one. Now, I challenge you — use it! Make this world a better place and yourself a better person.

I wish you happiness, health, and love in your life. It was a joy to serve you!

Richard J. Biancianiello  
12th Grade Assistant Principal

I want to teach my students how  
 To live this life on earth,  
 To face its struggles and its strife  
 And to improve their worth;

Not just the lesson in a book  
 Or how the rivers flow,  
 But how to choose the proper path  
 Wherever they may go;

To understand eternal truth,  
 To know the right from wrong  
 And gather all the beauty of  
 A flower and a song.

For if I help the world to grow  
 In wisdom and in grace  
 Then I shall feel that I have won  
 And I have filled my place.

And so I ask your guidance, God  
 That I may do my part  
 For character and confidence  
 And happiness of Heart.

**THE SENIOR CLASS DEDICATES THIS  
1991 BULLDOG YEARBOOK  
TO AN EXTRAORDINARY INDIVIDUAL WHO HAS GIVEN US  
LASTING IMPRESSIONS**

**M

As the twentieth century quickly comes to a close, it is the youthfulness of one special individual who will forever remain in our minds and warm our hearts. It is only because there are young-minded people in the world that we, the youth can become wiser, ambitious, and have meaningful goals. This man has been both inspirational and influential; teaching us to strive for success. Held in our highest regard we view this man as more than a Social Studies teacher. He is a loving father, husband, coach and confidant.

It is for these reasons that the 1991 Bulldog Yearbook has been dedicated to this special man. He has performed special services for the class, the staff, administration, and has devoted his efforts towards us, the world's youth. It is with great pleasure the class of 1991 dedicates this yearbook to the one and only Mr. Montefusco.

Sincerely,  
Class of 1991

## THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Had worn them really about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I —  
I took the one less traveled by,  
And that has made all the difference.

# A LOOK BACK ON CHRISTMAS '90

For many students in the Class of '91 the dismissal bell signals not merely an end to our academic endeavors for the day but rather the beginning of our extracurricular activities. With this participation comes a significant degree of responsibility.

Getting involved, working together, sharing ideas, revising old concepts, planning and preparing are all elements in an intricate step by step process devised to achieve goals.

Together, we were individuals whom designed a unit. We created and contributed as a team. We witnessed through each other our own growth and maturity, rising from timid freshmen to independent seniors.

As graduation day draws near, we will surely emerge as strong-minded, confident individuals, with strength in our convictions, self-worth and pride in our accomplishments, and faith and assuredness in the knowledge we possess to be worthy, active participants in an ever evolving, progressive society.

## FROM THE EDITOR:

A yearbook is filled with the many "Lasting Impressions" of our lives. This past year was spent trying to capture these memories. It was a year of sweating through deadlines, alterations, hard work, and anxiety attacks. This cannot be done, however, by one person or a small group of people. It takes the ideas of a variety of contributors and when put together, the result may exceed the original expectations. This was the goal of Bullāog '91. Being editor has also taught me the true meaning of responsibility and dedication.

These past months we've laughed and cried and friendships have blossomed. These memories will always leave "Lasting Impressions" in my heart.

Thanks for the memories!

Love always,  
Melanie Baruso

"Skating"

These blades of steel will carry me  
 As far as I can go  
 O'er endless fields of glassy ice  
 White as the fallen snow.  
 The waiting ice; it beckons me  
 As I take a **deep** breath of the crisp, cold air.  
 I jump and spin and leap and glide  
 Free from every trouble and care.  
 A dream suspended on a single edge,  
 A future about to start  
 I feel the ice beneath my blades  
 And the fire within my heart.

 Wolfert

LOST AND FOUND

Patricia De Martin

I left "Herman" in the parking lot of a shopping mall. I accidentally dropped him, and I haven't heard from him since. For all I know, some schizophrenic could have kidnapped my dear little Herman!

"Oh Herman, my dear, I love you so!!!" — The next minute . . .  
 "EWWW — It's a furry, black, beady-eyed spider named Herman!!! KILL IT! KILL IT!" I cannot sleep at night! In my nightmares I hear a shrill, blood-curdling voice, and it's screaming — "KILL IT! KILL IT!", (referring to Herman!).

If you see a larger-than-your average black, jumping spider — who answers to the name of "Herman" Please call this number — 555-HERM. A reward will be granted, and Herman and I will be eternally grateful!

PATRICIA A. McMULLEN  
DISTRICT COORDINATOR  
PHYSICAL EDUCATION AND ATHLETICS

Dear Graduates:

The Class of 1991 will always hold a special place in my heart. We began together, you as Freshmen and me as your Grade Principal, in 1987. I challenged you then to be there, together, in caps and gowns, as a drug-free class, graduating in 1991.

I watched you discover many things: how to build a float, how to study, how to participate in class functions, how to resist peer pressure, and how to become responsible, young adults, prepared to go forward and make your mark in the future.

Your success brings me tremendous pride. Although I am now the Athletic Coordinator, I still watch and savor your many accomplishments. Thank you for showing me your exuberance, respect, maturity, spirit, and most of all, your love for one another.

Good luck in the future!

With love,

Patricia A. McMullen  
District Coordinator

Kost was the Bulldogs main scorer averaging over 15 points and sixteen rebounds per game. Perez was the team's point guard and stand out defensive player. She averaged 5 assists and 4 steals while sinking almost 10 points per game. Sophomores Stephanie Bergs and Kristin Desimone were impressive at both ends of the court and sophomores Kelly Eiring, Patricia Ledek and Delia Correa look to be stars in the future. Other members of the team who deserve recognition are: Junior Allison Ciancarelli; Sophomores Bernadette Kennedy, Kelly McGowan, Michele Comacho, Jana Fabbriatore, Melanie Hartzog, and Freshman Dana Ackerman. ## Lindy's

Varsity Baseball team is one of the most respected baseball teams in the county. They've been to the county final four for the last two years. In this year's first game the team's win was the 200th career win for Coach Mike Canobbio.

Senior Brian Schleicher was voted All League, All County and First Team All Daily News in 1990. He had a total of 37 RBI's.

Senior Tom Rizzuto has been awarded an academic and baseball scholarship to Adelphi University.

Senior Jack Renzulli, a 2 year starter, batted over 300 last season.

Junior Scott Barany is the mainstay of the pitching staff and should have a great senior year.

Varsity Baseball would like to wish good luck to this year's graduating class.

### TO THE OWL PRINCE, WITH LOVE

He shared with us his talent,  
his humor, his insights.  
He taught us his talent through his career  
and shared his humor through his witticism.  
For some, he shared the door  
to creativity.  
He may have brightened our day  
by his presence and knowledge.  
Although he is no longer with us,  
his image was placed in our hearts  
and in our minds.  
As we enter into adulthood,  
some advice he gave may help our futures.  
I'll always remember him; he was a good man.  
Perhaps he led one of his students  
to succeeding in the field of art.  
He gave to us, and we'll give to him  
this living memento to the Owl Prince.

# IN MEMORY OF SALVATOR D'ALEO

Through all the fun and great times we had, you'll always be in our hearts.

## Any Sunset

There's something about the going down of the sun,  
Whether it makes a bonfire of a cloud  
Or, too obscure and lonely to be proud,  
Sinks on the nearest rooftop, and is gone.  
There's something, not of color nor of size,  
In the mere going, in the calm descent,  
Half out of heaven and half imminent;  
Final, as though it never again would rise.

There's something in its very noiselessness,  
Unlike mad waters or the winds that shout  
Their end in one last agony of excess;  
Something that does not count in its days nor deeds,  
But trusts itself to darkness and goes out  
And finds whatever afterlife it needs.

We Love You

Your Friends

## "WE REMEMBER YOU"

### Footprints

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand, one belonging to him and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints in the sand. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it. "Lord, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I didn't understand when I needed you the most you would leave me."

The Lord replied, "My precious, precious child, I love you, and I would never leave you. During your times of trial and suffering, when you saw only one set of footprints, it was then that I carried you."

This is about a kid I met in about first grade at the Rall school, a red-haired kid who cracked jokes all the time and was the center of attention. He became one of a close circle of friends of mine. We spent all our time in school together.

Then came Junior High, and the old gang from Rall split up. New friends and new interests pulled us all in different directions, and we didn't even say hello when we passed each other in the hall, me and the red-haired kid.

His name was David Oswald, and two years ago he was killed by a car while riding his bike home from a veterans' cemetery where he had volunteered to place American flags. The red-haired kid who loved to laugh was gone, and we could no longer be friends again.

As you go through your day, take the time to say hello to the people around you, to make other people's days a little brighter.

When you graduate, go to college and do other things, take the time to keep in touch with your old friends. You never know when you will see them again, or when you won't be able to. Share a smile, tell a joke — do it for the red-haired kid I knew in Rall school.

The Old Village Hall Museum, located on Wellwood Ave., was the first Village-owned seat of government. 25 years later, in 1953 the Village Hall opened on Wellwood Avenue.

1790 — President George Washington rode along Montauk Highway.

1841 — Our present public school system was established by the Huntington Farmers. They built a one-room school house on what is now West Montauk Highway.

1867 — The South Side Rail Road laid a single track to Babylon and opened the area to New York.

1870 — June 6th, was the date that represented the beginning of the actual village called "Breslau." Early industries were the manufacture of buttons, cigars, tar paper, metal fasteners, papier mache, and tailoring.

1870 — German settlers built a second school on School Street.

1870 — On June 21, the First Catholic Church was being built.

1872 — On August 26, the Lutheran Church was built on John Street.

1877 — Breslau Feuer Wehr (Fire Production) was formed. 4 yrs. later the name was changed to Breslau Engine Company. In the same year the Union Hook and Ladder Company was organized.

1884 — Liberty Hose Company was formed.

1891 — The Village of Breslau was changed to Lindenhurst.

1909 — The firemen adopted the name Lindenhurst Fire Department.

1913 — The Village's first parochial school was built to educate the children of the local parish.

1924 — Police Department was organized and it served the village until 1960 when it joined the Suffolk County Police Unit.

1990 — May 25, Smithtown Sheraton "Junior Prom"

1990 — June 8, Students protest defeat of Budget.

1991 — June 6, Sands on Atlantic Beach "Senior Prom"

1991 — June 22, GRADUATION

Population — 1991 — 28,212
