MR. PRESIDENT
SPIRIT WEEK
Your ring has been designed to symbolize class unity, pride, school recognition and is a traditional and unique way to provide you with lasting memories of your high school days. This exclusive ring was created with you in mind. You can be proud of your ring for a lifetime.

Tradition has it that your ring should be turned once for each year — represented by your graduation year date. It should be worn so that when you look at it, you can read your school name around the stone. When you become a senior, the ring is reversed so that when you hold your hand out the person looking at the ring can read the school name properly.

Someone special to you will be the last to turn your ring. This last turn will "lock" your ring.
WHO ARE THE BOARD MEMBERS?

They are unpaid officials elected by the taxpayers to take the formal legal actions and assume the major responsibility for the conduct of the schools. These people all work at making a living or work in their homes — just as you do. Therefore, the Board President must delegate certain responsibilities to the Superintendent of Schools and will ask him to make reports and recommendations to the Board of Education. This is necessary and proper procedure.
To the Class of 1992:

My heartfelt congratulations to you upon your graduation from our school. What a wonderful time this is for you and your family! The sense of accomplishment must be great. The long hours of studying, reading, writing and planning have led you to this day of triumph. A diploma from Lindenhurst High School does not come easy. You have met demanding requirements in a successful manner. A great sense of pride should envelope you, as you have done well individually and as a class.

As this special year draws to a close, you will be leaving our safe and loving environs for a cold and challenging world. I believe you to be well prepared for the challenge ahead. You have the ability to continue to learn and to make sound decisions. I know for certain that you are a credit to your family, the community and our great High School.

Thank you for contributing so much to our school. You have helped to make our school great and made my role as Principal a wonderful one. I will always remember this class as one with great spirit, enthusiasm, and zest. My memories of the Class of '92 are wonderful ones as I am sure your thoughts of your years at Lindy High will be.

Remember, as you say farewell to your alma mater, that it will always be there for you. The friendships you have made with peers and teachers will last a lifetime. I wish you the best life has to offer and good fortune in your future endeavors.

Bless you.

Sincerely yours,

Neil Lederer

MEMO
THIS IS DEDICATED TO OUR FAVORITE TEACHER/ADMINISTRATOR
THE CLASS OF 1992 DEDICATION

We are in a decade with new and innovative ideas. One innovator is a man who truly strives for success. He is an inspiration to students, colleagues, friends, and athletes. He is a true family man, a loving father and husband. He is not only a father to his immediate family, but also to the students who regard him with the highest respect. It is for these and countless other reasons that the 1992 Bulldog Yearbook has been dedicated to this unique individual. He has willingly performed special services for the class, the Lindenhurst sports program, and his fellow colleagues. It is with great enthusiasm that we, the graduating class of 1992, dedicate our yearbook to Mr. Richard Biancaniello, a teacher, administrator, coach and friend.

With Love,
The Class of 1992
WHO IS THAT BABY?
AFRAID TO LEAVE MY SAFE PLACE

Goodbye to my safe place that was my school.
Goodbye to my teachers that helped me through the years.
Thanks to my family for helping me grow.
I thank you all for being there when I needed you and for when I will need you again.
All of my teachers said IT would happen —
That one day I would graduate.
The time has come and I can’t believe how fast it happened.
Oh, how scared I am!
There is no safe place for me any more.
There are no teachers that will help to tell me how to do anything.
And now my strength is gone.
How will I adjust without my family’s strength and courage?
It seems like I am all alone.
And that scares me.
There is no one to tell me which road to take.
How do I know which road is the right choice?
It has happened.
I am going to have to grow up
Even if I AM SCARED.

4TH ANNUAL
STUDENT LEADERSHIP
CONFERENCE
November 24-26, 1991

NYSAA
NEW YORK STATE ADVISORS

Student Council News
by John Ogilvie

The Lindenhurst Senior High School Student Council, to quote president Brian Lawler, "all over it!" The 1991-1992 Student Council has really been working in conjunction with the entire school community to bring about positive programs. Never before has the involvement level been this high. With the success of Safe Halloween, the Council can now move with confidence under the guidance of Mr. Lois Paulein and Ms. Leanne Barney.

In November, an eight representative team traveled to Binghamton to the "Ride the Carousel of Leadership" conference which was attended by 500 New York high school students. The conference offered many workshops which were designed to not only develop leadership techniques, but to cultivate interest in school activities. It was decided that there are both high risk and low risk people. If the few high risk people could motivate the low risk people, all of the activities would be increasingly successful.

In a regional meeting, Student Council junior vice president Marissa Scourtos was elected to a secretarial position on the State Student Council. For an unprecedented second time, Marissa will be representing our high school as one of the only two representatives from the entire county. An election was held in which she outlined her past achievements on State and Local Student Councils. She also discussed her future plans for affecting education throughout the State. Marissa will attend a National Conference in which will be attended by 1,500 students. Congratulations, Marissa!

The trip also included tours of the campuses at SLINY Binghamton and at Cornell University. Mr. Paulein and Ms. Barney provided the group with an opportunity to experience college life first hand.

The Syracuse conference, which will be open to next year's Student Council (for which elections will be held in the spring) also includes social opportunities such as a semi formal dance.

The Student Council now wants to accomplish new goals and include as many participants as possible. The New Student Council is looking for interested people with time, ideas, or just Lindy spirit. In this time of financial distress, all of us working together can make it possible for this school and community to weather the storm.

This year Student Council is entertaining some new and exciting ideas. It is a wonderful time to GET INVOLVED!

FUTURE
Being an advisor means so many things:

... It's having the opportunity to work with some really talented individuals.

... It's an incredible feeling of accomplishment on a Homecoming morning, looking at the results of a lot of hard work, time, and planning.

... It's enjoying seeing typically jean-clad young men and women looking so mature and beautiful at a prom.

... It's knowing that you're a part of a very special process, ultimately leading to graduation.

... It's something that will always mean so much to someone who has taken the time to care...
To the class of '92,

Being a part of the Bulldog '92' staff as editor has given me the opportunity to work with many special people, such as friends and teachers. They have put up with all of my different moods and have been there with me to create layouts, make deadlines, and stood by me at the most hectic times of my senior year. Being editor has brought me very fond memories that I will cherish for a lifetime.

I never thought the years would go by so quickly, bringing us up to graduation and the end of our high school lives. Every time each of you look back at this yearbook, "Flashback" to all of the special memories we all shared together and the good times we have spent at Lindenhurst High School.

Love Always,

Jenni Hess
To the class of '92,

It seemed as though the year 1992 would never arrive as quickly as it did. Now it has, and we must move on and lead separate lives. This past year was the year I'll never forget, the great friends I made, early dismissal, becoming editor of our yearbook, and just enjoying the senior spotlight.

Working on this yearbook has meant meeting deadlines, having major responsibilities, and listening to Mrs. Johnson and Ms. Barone for hours on end. I realized that all the yelling and the attitudes that were given paid off. This yearbook definitely proves it.

It's been a blast!!

Love Always,

Jennifer Spatafora
Dear Fellow Graduates,

How hard it is to put together a few sentences to say what I'd like to. How can you wrap up four of the best years of your life? I'll do my best.

I've known most of you since grade school or Junior High. At that age, we never cared about "the future," and assumed that we'd always be together. Now, that we're through with most of the educational period of our lives, we've grown enough to be able to realize that "all good things come to an end," and we are forced to bid farewell to our school, our friends, but never our memories.

I know that I will be forever having Flashbacks of my school days in this district. These are sure to be some of my most fond.

We've kept this in mind in putting the book together. We know that this book is supposed to give its owner Flashbacks when it's opened for the first time, or twenty years from now.

I know that everyone on the committee has had many Flashbacks while working on this book; and I hope that we have succeeded in putting together a time capsule which will cause each of you to have many fond Flashbacks for years to come.

I miss all of you terribly!

Fondly,
E. Buonagura

J. Osborn, E. Buonagura, Asst. Editors
The Student Council is a group composed of selected representatives from every grade, background and interest. As individuals, the members insure that the interests of their particular class is fairly served. As a group, the Lindenhurst Student Council plays an active part in the community and the school. Whether it is taking part in a food drive, organizing the Safe Halloween Program, helping senior citizens, or decorating the hallways, the Student Council contributes to the welfare of Lindenhurst, and proudly displays the type of people who make up the Lindenhurst High School.

creativity is one of the strongest marks of man, it has produced for him and his fellow man the greatest blessings the world has ever known.

creativity produced the wheel; it harnessed electricity; it discovered the atom; it found cures for dread disease of both the body and the mind; it prolonged life and comforted the ill; it healed limbs, patched a heart, brought back sight, restored hearing.

man's creativity has produced for fellow man the greatest treasures the world has ever known — beauty to the eye on canvas, beauty to the mind in poetry and prose, joy to the heart in music and dance, inspiration to the intellect in the drama.

That was then:

"The Dragon"
Strong and proud,
Perched atop the highest mountain;
It watches its world revolving
Below.

Neither male nor female,
Young nor old,
Eternally magnificent . . .

... The elegant dragon stretched
Its long magnificent, strangely
delicate
Neck upwards
Embracing the Sun, the Creator.

This is now:

She Stares into the sunset
and spies his flowing features.
His essence never changing as the
color dusted clouds glide through
the twilight hued sky.
She sees his soul pure like an
artists palate shaped in azure
rose and plum.
She beholds him mauve and lilac
as the burning daystar dips into the
verdant sea.
The waves frosted in reflected
beauty stretch out his arms to
her, the pale sandy shore.

SURGEON GENERAL'S WARNING: Smoking Causes Lung Cancer, Heart Disease, Emphysema, And May Complicate Pregnancy.

Are You Prolonging the Recession?

Kuwait is liberated. Iraq's army is defeated. This war is now behind us.
The Lindenhurst High School interscholastic Fall Sports programs were very successful and generated a lot of enthusiasm and support. One of the highlights was our Scholar-Athletes Awards... 138 out of 320 athletes, or 43% of all athletes, were named to the honor roll, with an 85 or better average during the first marking period. In addition, three teams: Girls Swimming and Diving, Golf, and Boys Volleyball also accumulated a team academic average of 85 or higher. Quite an accomplishment!

**Varsity Football**, under the direction of Head Coach Giancarlo and Assistant Coaches Cammarota, Haynes, and Dattaro, made it to the final four in the large school championships; before losing to the eventual county champion. Newsport, in the semi-finals. This followed victories over powerhouses Patchogue-Medford and Comsewogue. Coach Russo and Coach Rogers led the J.V. Football team to an undefeated season in League II, highlighted by a terrific comeback against Ward Melville.

Four **Cross Country** runners, Dave Ednie, Scott Eger, Ray Leavitt, and Charles Hoffken, won ribbons and medals at the Suffolk Officials and town of Brookhaven meets. Coach Scot has high hopes for next year with these young men.

The **Varsity and JV Cheerleading** squads continued to instill school spirit with musical routines and exciting stunts and pyramids. Coaches Loehr and Destefano are already planning new cheers for next year's pep rally.

This year, a bonfire was an added highlight to the annual pep rally. In front of a packed gym, Coaches Whinn's and Varsity's Gymnasts dazzled the crowd with their summies, handsprings, and aries. Michelle Gross led the team with an outstanding season, culminating in the county championship.

Coach Jasens's **Field Hockey** team steadily improved throughout the season. Sophomores led this young team by scoring all the goals. The JV team, under Coach Twist; recorded a strong 5-1-2 record and will contribute mightily to the future varsity.

**Boys Soccer** suffered close losses early in the season. Under Coach Kaplan's patience, the team progressed and beat teams they had lost to earlier. Their season culminated in a second half record of 3-2-1. With 12 players returning, in addition to an enthusiastic JV, coached by Mr. Gates, they know they will be a team to reckon with in 1992.

Our full **Golf** team started strongly under Coach Fitz, with many junior high players showing an interest in the sport. This year man, Brian Lawlor, earned his third consecutive All-League award, and led the team in competition.

**Girls Varsity Soccer** qualified for the county play-offs for the second consecutive year. Coach Byrne inspired his players to reach the semi-finals of the large school championship, losing to eventual champion, Northport. This followed exciting, over-time victories against Ward Melville and Half Hollow Hills.

In her first year, Coach Grice led her **Swimming And Diving** team to 2nd place in League II. With the assistance of Coach Cornelia, Debbie Arnet qualified and reached the diving finals at the state championships in Buffalo. In addition, her teammates set 7 school records, breaking some that were set over ten years ago.

**Girls Varsity Tennis** had an outstanding season, finishing in 2nd place in League II. The championship was not decided until the regular season ended, when Linda faced Sachem in a postponed match. Needing only one more match to win, Lindenhurst lost in a hard-fought third set tie-breaker. Coach Outlander looks forward to the talent that will lead the team next year, which includes Coach Taplin's JV girls. This young group compiled a 4-6 record against tough opponents.

**Boys and Girls Varsity and JV Volleyball Teams** could be seen working out together in the gym, under Coaches Schnatz, Moxon, Silvestri, and Consavvas. All four teams showed considerable improvement and outstanding team play. Spectators were entertained by diving savers, expert sets, and thunderous hits that intimidated their opponents.

All in all, it was a wonderful beginning to the school year. Our winter and spring teams hope to be as successful in the coming months.

I've opened the windows as I've squirited on the "Shout!"
While thinking, "Next week, wash again, page, easy, a guide.
I've opened all the windows as I've squirited on the "Shout!"
I've breathed the fumes that clogged my lungs, of that I have no doubt.

The fortune on deserts, the time I've spent — I shudder
For four long years I've washed this "suit"; you now can call me "Mudder."

But today I washed this uniform perhaps the final time.
After all those years of drudgery, I failed to see the grime.

I saw the boy who wore it with such pride and dignity.
And suddenly, that football "suit" looked befuddled to me.

I saw the dedication of my young rake on the team;
His pride to wear the uniform, to play the game and dream.

I felt the tingling of the game, the tumult at the end.
The heart, the spunk, the cheer and pal of every loyal friend.

The character and goodness that this uniform helped to grow,
And the precious boy who wore it is so special I can glow.

If I had one wish for certain, the one I would adore...
Would be to wash this uniform for four long years or more!

"Remembering"

Remembering you is all I can do
I remember your smile, which made me smile
Remembering all the good and bad, helps me feel
as if you were here with me
Remembering your laugh, the laugh of all laughs
always makes me laugh.
Remembering you helps me to never forget you. I will never forget you, even as my life goes on. Every time
I remember the things you did, you are here with me.

To Kyle Edward Paul Spear:
"A son grows so quickly . . . Watching him change from a dear little boy to a wonderful young man is one of the greatest experiences a parent can know." You're the best thing that happened to me. Good luck and great success in your future.

YOU'RE THE GREATEST!

DEAREST SEAN,
MAY THE GOOD LORD BE WITH YOU
DOWN EVERY ROAD YOU ROAM.
MAY SUNSHINE AND HAPPINESS
SURROUND YOU WHEN YOU'RE FAR FROM
HOME.
AND MAY GROW TO BE PROUD,
DIGNIFIED, AND TRUE.
AND DO UNTIL OTHERS, AS YOU'D HAVE
DONE TO YOU.
BE COURAGEOUS AND BE BRAVE,
AND IN OUR HEARTS YOU'LL ALWAYS STAY . . .
FOREVER YOUNG.
MAY GOOD FORTUNE BE WITH YOU.
MAY YOUR GUIDING LIGHT BE STRONG.
BUILD A STAIRWAY TO HEAVEN,
WHETHER PRINCE OR A VAGABOND.
AND MAY YOU NEVER LOVE IN VAIN,
AND IN OUR HEARTS YOU WILL REMAIN . . .
FOREVER YOUNG.
AND WHEN YOU FINALLY FLY AWAY,
WE'LL BE HOPING THAT WE SERVED YOU WELL.
FOR ALL THE WISDOM OF A LIFETIME,
NO ONE CAN EVER TELL.
BUT WHATEVER ROAD YOU CHOOSE,
WE'RE RIGHT BEHIND YOU, WIN OR LOSE . . .
FOREVER YOUNG.
ALL OF OUR LOVE,
MOM, DAD, AND MICHELLE
A TRIBUTE TO DOC

"THE MAN WHO HAS TOUCHED THE LIVES OF MANY STUDENTS."

You are the eternal star that shines bright deep within the
darkness of the night
Through the thick clouds
Through the falling rain
The loss of you brings us great sadness and pain
Your ghostly presence I'll always feel
buried deep within my heart
hidden safe in the depths of my soul.
Me you will no longer console
My heart you stole
Your mortal presence I'll always crave
Your sacred memory I'll always save.
There's a time for life
a time for death
a time for peace
a time for war.
I'm feeling a loss like never before.
Your honour I will defend
Till times very end
For I am your eternal friend
Your death we'll forever mourn
from your death a new life was born
your death was not in vain
from your loss came another person's gain
you died with dignity
You died with pride
Now you've got heaven on your side
Ashes to ashes
Dust to dust
The advise you gave me, I used it with great trust
I know no one ever said life was fair
are so many people supposed to live forever in despair
your mortal presence I'll always crave
your sacred memory I will forever save
There's a time for life
a time for death
a time for peace
a time for war
You will never be forgotten your memory is branded in our
minds
rest assure
They say the good die young
Rest in peace
God gives life like the terms of a lease
"You never get somethin' for nothin'"'
to get you got to give
to forgive you gotta relive
you look down
my every move you see
fly to heaven your soul is free
tortured with my emotions I feel for you.
A special teacher/student bond grew.
Your mortal presence I will always crave
your sacred memory I'll forever save
There's a time for life
a time for death
a time for peace
a time for war
We're feeling a loss like never before
They say the good die young
Now the souls in heaven you're among
Life's too short to be mad
How can you have a good time if you're sad.
Roseanne Kellermann

This was written on behalf of all the students who loved

How many times have we eaten here Sunday by Sunday.
A table for two over there.
Hope I never see across from me an empty chair.

Love is calling. Can you hear me?
Love is calling. Will I hear you?

I want so bad to be with you.
A love that will last and be true.
I have something to say but I don't know if I should.
It's a question to ask but I don't want to spoil the mood.

Love is calling. Can you hear me?
(Sounds good.)
Love is calling. Will I hear you?
(Hope I would.)

THEN
"FOR OUR SENIORS"

This is truly a time of mixed emotions for us. We're so proud of all of you; you've come so far in the past four years. We're grateful that you've come to be a part of our lives. We're also sad that our four years together is coming to a close.

It's impossible to fathom that the time has gone by so quickly. The memories we have... Mother Goose, Dorney Park, the proms... will live in our minds forever.

We feel especially fortunate to have had the opportunity to work with you. Since we've had so few of you in our classes, if we hadn't been your advisors, we would have missed out on knowing some incredible individuals like yourselves.

We can never thank you enough for sharing the good times and bad, the laughter and tears, with us. All we ask is that you go out into the world and become the best that you can be.

We will always love you. Thanks again...
