Hard at work at preparation for the parade.

A Lindy Enthusiast.
Although we were new to the experience of Homecoming, as freshmen we still did a fantastic job. The theme for this year was Hollywood Comes to Lindenhurst which we symbolized by a Pink Cadillac. Placing second in the float competition, right behind the Senior Class, made us extremely proud.

In our Sophomore year we teamed up with the freshman class to teach them the ropes of building a great float. The theme was Broadway Plays and our float, Peter Pan, took second place.

As Juniors in 1995 we helped Lindenhurst celebrate its 125th birthday by building a gigantic birthday cake. As a result, we won the class float competition. This year we brought back the old tradition of a Homecoming Dance. All the hard work paid off when the dance was a success. Everyone enjoyed the opportunity to dance the night away surrounded by Lindy pride. Before the dance ended, the entire Homecoming court had been crowned.

The Many Faces of the ALC
From November 14 to 16, 1996 five members of the National Honor Society Executive Board attended the 4th annual NHS Conference in Minneapolis, Minnesota. Those who participated were Kelly Tammone, Nick Pietris, Dan Hosey, Sue Burke, Amy Quigley, and co-advisor Barbara O'Donnell.

During the trip the main event was the conference. The students attended many workshops on character, scholarship, leadership, and service. The highlight of the Conference was receiving one of 10 national awards for outstanding community service. The chapter won for National Honor Society participation in “Safe Halloween.”

Of course, while in Minneapolis everyone went to the famous Mall of America.

Michelle Kamme and Ann McGrath were two of 1,650 student council leaders and student activity advisors that attended the 60th National Association of Student Councils (NASC) Conference June 22-26, 1996, at Fort Meade High School in Fort Meade, Florida.

With a theme of “Rays of Leadership” the national meeting included training sessions on leadership skills, effective communication, motivating other students, appreciating diversity, and effective student activity projects. The delegates heard such speakers as Debbi Fields of Mrs. Fields Cookies, and Pat Williams, general manager of the Orlando MAGIC.

While in Florida they, of course, visited Disney World and Sea World.

Because of the Conference, Michelle and Ann were able to bring home new ideas which they have been able to implement while in office in Student Council.
On November 23rd, 1996 four students and one teacher boarded a plane to attend the annual New York State Advisor Student Association (NYSASA) Conference in Buffalo, NY.

Those who attended were (from L-R in picture to right) Michelle Kamme, Stefanie Cutolo, Frank Cush, Meghan Scharf, and Mike Garvin.

By exchanging ideas and attending Leadership workshops, our Student Council is one of the best around.

During the trip many exciting events occurred. Frank Cush was named the District Representative for 1996-1997. Meghan Scharf was named the new District Advisor. Lee Pase Hiner was awarded the NYSASA District Advisor of the Year award. The Student Council was awarded for it's 3rd year in the Honor Council. Michelle Kamme was nominated for the Kristen Haver Memorial Scholarship Award. Congratulations to this year's Student Council and hopefully the tradition of excellence will continue in the years to come.

To The Class of 1997:

My sincerest congratulations on your graduation from Lindenhurst High School. I am extremely confident that we have provided you with a sound education. I believe that the education we have provided you has been sound if we have taught you how to learn. Through learning you become a better person; a person who understands that part of being brave is to fear. Learning shows us that the purpose of life is to understand the importance of learning, the many experiences you have had at Lindenhurst High School and all we have taught you will be of no value. You are excellent models of the product that develops as a result of good families, a community supportive of education, dedicated teachers, and a truly outstanding school that will continue to meet the needs of all of its students.

I personally have enjoyed working with each and every one of you. I consider myself fortunate to have known you and for the knowledge I have gained from you. The class of 1997 has not only distinguished itself as an outstanding class, but has made this Principal extremely proud of you and thankful that he has had the opportunity to work with such wonderful people.

I have to see all of you leave us but know that you must move on. In doing so, I wish you the best that life has to offer. Go out into the world and continue to give to yourself so that you can give to others. I will miss all of you. God bless each of you.

Sincerely,

Council
Dear Classmates of 1997,

I would like to take this opportunity to congratulate each of you. The class of '97 has an extreme amount of pride and honor which we have bestowed upon Lindenhurst High School throughout the last four years.

Together, our class made a difference. The class of '97 brought back many traditions and reached many goals. It is because of our strong sense of spirit and unity that our class was able to bring back a homecoming dance, organize class trips, raise considerable and record amounts of money, and create an incredible level of Lindy Pride. This is all due to the outstanding talents and qualities in each of us.

With my warmest regards I would like to say that it has been my privilege to serve as your Senior Class President. I wish nothing but prosperity and good fortune for your futures. You all should know that it took all of us to make the class of '97 what it is. The one thing each of us can leave here knowing is that we have left a great gift to Lindenhurst High School ... A Legacy.

Warmest regards

Imaginary Distance
Memories of people lost,
Lost in your train of thought,
Skipping from one priority to the other,
Their distance from center enlarges.
Your time of day,
Not to give to them.
A feeling of astrangment,
Lingering in your heads,
A glance in your passing,
And one small thought on the other,
While lying on your beds.
Your old friends hold no water,
Just fond memories.
Cast aside like garbage,
Shed like a skin.
They are waste from your former life,
And play no role in your newfound destiny.

It's been a busy year for the International Clubs. They strived hard to outshine last year's activities during International Week in March. Besides furthering their cultural education, they have set up a cultural display by Library I, put out a successful cookbook, and had a fabulous International Banquet. The night featured not only multicultural cuisine, but masks sold by the Italian Club. It was a real fiesta for all.

Coach Schnatz Nets First V-Ball Playoffs

The Boys Volleyball team got off to a slow start this season dropping 1 and 3 after being defeat in the first 3 matches to both East and West Hamp­ton. The players dedicated their efforts to qualify for the Suffolk County Playoffs.

Led by senior co-captains Michael Jordan and Danny Cuzzo, the team proceded to win four out of their next five games including a strong win against Northport to bring their record to 5 and 4. In spite of a serious injury to junior co-captain Derek Springer, the team was able to maintain their momentum and had a record of 8 and 6 coming down to the last four games.

Thanks to much improved setting of Anthony Kline, who average 24 assists per match, and the line-up defense of Ryan Brennan and Chris Turtell the Dragons finished 0-1 in a 5-set thriller against the #4 seed Connetquot in four games. The out­standing serving and defense gave the team the edge over their opponents.

During the season, Anthony Kline and Seanglenn Kearney also won MVP honors to lead the team to the Quarterfinals of the Suffolk County Playoffs. Coach Schnatz is looking forward to next season when the returning 8 players are joined by several strong J-V players to continue the success which the 1996 team started.

After the first play off game against Half-Hollow Hills, the Lady Dawgs won 1-0 with Lisa Baldwin scoring the only goal in the game. Great defense was played by Angela Colangelo, Renee Eger, Allison Santino, Helen Skowron, and Eleni Theodorou. Liz Daniels did an outstanding job in net. The offense was a success with Lisa Baldwin, Kristen Ford, Barbara Simmons, and Eleni Theodorou.

Unfortunately, the second playoff game against Sachem wasn’t as successful as the first. The score was 5-1 with the only goal scored by Lisa Baldwin.

Congratulations to Lisa Baldwin and Vicky Bergs for making All-County. Other honorable mentions are All-League: Renee Eger, Allison Santino, and Eleni Theodorou. The awards were given out on November 25 at 7:00 pm at the Smithtown Sheraton.

Harding, Balicki Kick Dawgs Into Playoffs

By Kelly Ann Menke

This was an exceptional year for the Boys Varsity Soccer Team. It was also the last for Captains Brian Harding and Martin Balicki, and also Goalie James Scanlon, Striker Saverio Ciancotta and Defensive back Willy Kazimierczycy.

The team improved greatly from last year. Their record this year was 11-4. They also made the playoffs. In the first round they had to play Sichem, always a power, to whom they lost.

This large improvement can be largely accredited to Paul May, the coach of the summer league, which many of the players attended. Paul May is a Lindy graduate who played soccer here, then attended Fairleigh Dickerson University on a full scholarship. He now donates some of his time to help improve our program.

It is also the last year for Head Coach, Mr. Kuilen. Also coaching this year was Mr. Lullo who states, “This year was great! The guys worked well together and I look forward to next year for the team will be larger.”

The team was lead by captains Martin Balicki, Brian Harding and Steven McAllister who were great emotional leaders. The MVP's of the year were Martin Balicki and Brian Harding.

All-Conference honors were earned by Ricky Campana and Brian Harding. All-League by Martin Balicki. Overall the Boy's Varsity Soccer team had an exceptional year and we all look forward to next year.

Girls Varsity Volleyball, playing in the highly competitive Fall Season, finished 3rd in League I. This was the best finish for the Bulldogs in the last 5 years. Coach Sam Moxon emphasized teamwork and conditioning, and was proud to have five young ladies designated All-Stars: Kelly Sullivan, Nicole Buscema, Kristy Eiring, Christina Miller, and Theresa Lomonaco.

Girls JV Volleyball was a young squad, composed of 12 freshmen and 4 sophomores. Coach Donna Garziano taught the girls commitment and communication as keys to success and built her program around that. As confidence increased, the girls demonstrated improved play and teamwork. This year the squad gained tournament experience by competing in the Smithtown Classic, where they placed 8th and caused major upsets with their tenacious play. The coach is counting on Colleen Atkinson and Rebecca Iraci to lead this young team in the future.

The coaches and athletes at Lindenhurst would like to thank the parents and community members of the Bulldog Brigade for their continued support of the Athletic Program. Their continued attention to doing what’s best for their children is greatly appreciated by all.

MAKE 1986 SUFFOLK COUNTY PLAYOFFS

BOYS VOLLEYBALL

Boys Volleyball was the most successful in Lindy's history, earning a spot in the Suffolk County Playoffs. Coach Ken Schnatz called on senior co-captains Derek Springer, Mike Jordan and Danny Cuzzo to lead the squad. Thanks to the setting of Anthony Kline, the bustling defense of Ryan Brenna and Chris Turtell, and the consistent play of Sean Milito, Kevin Kozub, Kevin Leary and Seanglenn Keanev, the DAWGS played well throughout the season. In the Playoffs, the boys defeated East Hampton in the first round, before losing to eventual County Champion Half Hollow Hills in the quarter-finals.

JY Boys Volleyball finished the season with an overall record of 7-8. Coach Doug Read viewed the season as an overall success, due to the increased skill level of individual players against some of the most competitive teams in the league. Highlights included victories over perennial powerhouse houses Half Hollow Hills, Shoreham Wading River, and Commack. Led by co-captains Adam Gwaltney and Eric Johnston, the team closed out the season with a 4 game winning streak.

CROSS COUNTRY

Varsity Cross Country, under Coach Mark Stott, was the only Coed Fall Team, although boys compete against boys and girls vs. girls in league play. Dan Hoose led the squad, winning medals at each invitational and being named to the 3rd All-County Team. Sophomore Phil Huffken garnered All-League honors for this young squad.

CHEERLEADING

The Cheerleading Squads worked hard to promote school spirit and support all the Football Teams. Varsity, led by Coach Michelle Corcoran and Captains Danielle Parmentier, Danielle Pauzicillo, and Andrea Vardano, consisted of 10 dedicated and enthusiastic girls. They created and executed extremely difficult Pep Rally cheers, dances and stunts.

The team has worked together since July, reflecting synchronized performances at games and student activities. The squad will continue practicing during the upcoming months, learning new routines and competing in island-wide competitions.

JY Cheerleading, under Coach Angela DeStefano, rose to a mid-season challenge of choreographing routines with a reduced squad. This enthusiastic group developed routines and cheers that were appreciated by all.

TENNIS

This year's Girls' Varsity Tennis Team displayed outstanding skill. Three year veterans Barbara Slovak, Kristen Bucaria, and Kerri Kleiner improved several levels from past year, and 9th graders Emily Mangano and Kristin Drummond added youthful desire and enthusiasm. Coach Deb Bonnecourt challenged the girls to work hard to improve individual and team performances, and to continue this effort in the off-season.

Coach Peter Costa's JY Girls Tennis Team enjoyed participation, self-improvement, and personal growth as the true rewards of this season. Each player worked daily to improve their groundstrokes and dedicated themselves to commitment, teamwork, and enjoyment of the game.

SWIMMING AND DIVING

The Girls Swimming and Diving Team, led by Coaches Diane Grice and Tom Corella, produced outstanding performances by every team member. Almost half the squad was comprised of 9th graders, who put in as much effort as their older teammates. Ending with a 10-2 record, the team was led by All-Leagueers Denise Pagliarulo, Danielle Hearns, Lisa Bender, Michelle Kamme, Alexis Gibbons, Crystal Cady, and Alaina Tutrone. Denise Pagliarulo also won the "Lester Schloen, Jr. Memorial Award", given by the Suffolk County Officials for the Best performance in the county by a first year diver.

Girls Varsity again made playoffs, the sixth straight year this has occurred. Coaches Tony Byrne and Peter Guglielmo had the opportunity to improve their record. The team made it to the Quarterfinals before losing to perennial powerhouse Sachem.

The highlight of the season was the game against Northport, which up to the game against Lindenhurst, had not been beaten or scored upon. Lindy held the eventual State A Champion to a scoreless tie, a definite moral victory. Outstanding players included All-County selections Vicky Bergs and Lisa Baldwin, and All-Leagueers Renee Eger, Allison Santino, and Eleni Theodorou.

JY Girls Soccer, directed by Kelly Magliaro, showed remarkable grit, determination and team play, not only earning enough goals to field the squad last year. The girls learned to adapt quickly to competitive situations, and worked hard to improve personal skills.

FOOTBALL

For the 1986 season, Coach Richard Bianciano scrambled his coaching staff, bringing three new faces to Varsity Football: John Rossillo, Nick Lombardo and Ron Floggen. They led the team to 3-5 record in Division I, Suffolk County's toughest football division.

Highlights of the season included a last-play, last-second 21-20 victory over Central Islip, a 27-14 victory over Centereach, and a 14-7 comeback win over Commack. Two players, Kevin Abbamonte and Brett Rainer, received All-County Honors, while Thomas Mathews and Michael Tamburino were designated All-Division players.

JY Football, led by new coaches Ralph Ruggiero and Ron Froia, was delighted with the numbers of boys that came out this year. Although Varsity advanced a few boys, the JY squad played tough, gritty football all season. Outstanding players included Vic Kelly, Chris Miller, Marty Delorenzo, Jimmy Lee, Chris Burdick, and James O'Shea.

Directed by Mike Canobbio and Ed Haynes, Freshman Football was an exciting team on offense; scoring 28 points in each of its first 5 games and a stingy defense, allowing only 4 TD's all season. The team outscored its opponents, 168-60, in its first season competing as an independent team. Outstanding players included Rusher Michael Ortega, Blockers: Ed Rafroid and Joe Fischer, End Brad Kallman, and Mr. Versatility, George Laffar.

BOYS SOCCER

Boys Varsity Soccer started off the season with a 4-0 record in non-league play. Coaches Richard Kuplen and Rick Lullo led this under-rated team to the Suffolk County Playoffs, finishing with an 11-5 record. Led by tri-captains Martin Balicki, Brian Harding, and Steve McAllister, this team put Lindy back on the soccer map and became the "talk of the county." Other outstanding players included Ricky Campana, Oisin Whelan, Brian Belpanno and James Scanlan.

Tom Caro became the coach for the Boys JV Soccer Team in its return to action this year. 20 dedicated athletes came to the field each day with the desire to improve performance through pride, hard work, determination, and a total commitment to themselves and their teammates. The Bulldogs were repeatedly recognized by coaches and officials, and opposing teams for their display of outstanding sportsmanship. The future looks

Soul Quest is an enlightening experience in which you have the opportunity to change your mind, body, and soul for the better. It is the chance to understand and bond with your peers. You learn about and talk to people you ordinarily might not associate with. On Soul Quest you are encouraged to challenge yourself to reach for your full potential and to believe in something greater. Through Soul Quest, people learn to set goals and achieve them. You are inspired to reach for the light inside yourself and to keep it lit. On Soul Quest it is realized that everything in life, good or bad, has a purpose. You also know that it's not what happens... it's what you do that makes a difference. By the end of Soul Quest it is learned that trust and communication are the key to success.
We are the peerleaders of 1996-97. We are the owner of today's future. We hold the fate and ability to make or break this world in our hands.

As peerleaders we learned how each one of us are unique but also that we connect in one way or another, without effort. We learned all it takes is to be ourselves. We've seen for our own eyes none of us are better than another. We've seen how competition can hurt a person, and how communication will make one. A piece of angelic beauty was taken from each one of us, to combine as one, and we realize we are the angels sent from above. Sent to help guide one another by unconditional love, not to judge simply listen. We listen to one another. We hear our call. WE ARE THE PEER LEADERS OF 1996-97.

For the first time this year there were enough interested students that there are two classes instead of just one. Peer Leadership is a health class where you learn how to help yourself and to help each other. This is accomplished through discussion and problem solving. Each class attended many workshops to give them the necessary skills for working with their peers. The peer leaders and mentors assist other students in working out their problems in a non-violent manner. They also teach elementary students about self-esteem.

This is Susan A. Miller, speaking from beyond the walls of Linda senior High. This is the end. Beautiful friend. No safety or surprise, the end. To live remember the beach, countless Champlin dances, Friday night sleeping Spoons, Darth Vader and the mighty Zuberoo. Keep your eyes on the road, your hands upon the wheel. We’re going to the roadhouse, we’re gonna have a real good time. Let it roll baby roll. My darling Ricky I am going to keep by heart the memory of pool games, “mental” club, our char in NPHS, halloween and our puddle mustaches, particle man with lynette, never ever getting any phone calls, and please burn that Nike sweatshirt! Nothing to lose and nothing to prove. I will remember numerous hours slaving over the workbook year. How’s it? Can you picture what will be? So timeless and rare. Don’t fourth period Junior year, the endless plate of pasta, and innecate. Lots and lots of looseleaf Sheph, my media buddy, remember all those Door Eds, flora, tormenting Dolus. I think you’re the same as me, we’ll see things they’ll never see. You and I use gonna live forever? To Dolus, my therapist and mentor I know all my video equipment and all my untold storytellers. I leave the Video Club in your hands too. Vini Vidi Vici! Did you have a good world when you died? Enough to base a movie on? To Robert, Kelly & Heather, the Breakfast Club. I’ll miss our lunches and Deatha and show Karla Rizzu (now a farmer) and show Karla Rizzu (now a farmer) to show Karla Rizzu (now a farmer) the literary—please. I leave you guys all my shelf-reading, Reeper #2, the toys, and all those SCREAMING kids. Finally. NO ONE gets my leather jacket. I’ll be wearing it when they stick me in the ground and it’ll be wearing it when I come back. Cya.
